INFORMATION DISCLOSURE STATEMENT

Sir:

In compliance with 37 C.F.R. 1.97, submitted herewith on the attached form is a citation to a patent document, a copy of which is enclosed. The submission and listing of this reference is not to be construed as an admission that the reference is "prior art" with respect to the claimed invention. In accordance with 37 CFR §1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made. In addition, in accordance with 37 C.F.R. 1.97(h), the filing of this Information Disclosure Statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 C.F.R. 1.56(b).

It is requested that the Examiner consider the cited reference as part of the examination of the subject application, make the reference of record, and return an initialed copy of the attached form with the next communication to Applicants.

This statement is being filed more than three months after the filing date but prior to a first Official Action on the merits. Accordingly, no fee is due. In the event a first Official Action on the merits has already been mailed, but has not yet been received, it is still believed that no fee is due, because the undersigned certifies that each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231, on the date appearing below.
